## Emergency Procedures for Public Meetings and Public Comments

During this time of extraordinary circumstances dealing with the declared State of Emergency associated with the COVID-19 pandemic, the City is temporarily allowing online public comments, and limited in-person public comments at City Hall, for public meetings of the City Commission and the various City Boards.

## Online Public Comment Forms.

The City is providing an online Public Comment Form to allow members of the public to submit public comments for each public meeting of the City Commission or a City Board. The Public Comment Form may be found at <https://www.codb.us/comments>. Please follow the directions on the Form to ensure proper electronic submission to the City. All Public Comment Forms completed and properly transmitted before 5 p.m. on the day prior to the public meeting will be provided to City Commission or Board members, as applicable, for their review and consideration prior to the public meeting. Any Public Comment

Forms submitted after 5 p.m. on the day prior to the meeting will be provided to Commission or Board after the public meeting. All Public Comment Forms will be included in the official meeting records and retained by the City Clerk or the Board Secretary as a public record. If you have issues with accessing, completing, or submitting the online Public Comment Form please email us at [comments@codb.us](mailto:comments@codb.us) or call 386-671-8023.

## In-Person Public Comment on Propositions before the City Commission or a Board.

Although persons are strongly encouraged to submit online Public Comment Forms during this State of Emergency, persons may visit City Hall during a public meeting to make public comment on propositions coming before the City Commission or Board for a vote, subject to these City procedures and all social distancing requirements recommended by the Federal Centers For Disease Control and

Prevention. The Commission Chambers will be closed for inperson attendance by the public. The City Hall lobby will be equipped with an audio/video feed to the Commission Chambers and a lectern and microphone will be placed immediately inside the Chamber door for public comment. Forms will be provided for persons to fill out who wish to make public comment. Persons may approach the Lectern to speak on an item before the Commission or Board at appropriate times, when called upon, subject to such time limitations as may be imposed by the public body. The lobby will also have a limited defined area, with social distancing, for persons waiting to make public comment. In addition, the exterior entryway to City Hall will be equipped with a loudspeaker for persons waiting for permission to enter to make public comment due to space limitations in the lobby. Persons may also monitor public meetings from their iPhone, iPad, or other electronic device at <https://www.codb.us/618/DBTV>, and enter City Hall for public comment at appropriate times, when called upon. Persons who have finished speaking or not intending to speak on a matter coming before the Commission or Board will not be permitted to remain in City Hall. All persons must comply with social distancing requirements while at City Hall, such as by remaining at least 6 feet apart.
